

The MTSU Stock Horse Team is a student club organization at Middle Tennessee State University. Students compete and host American Stock Horse Association certified shows and open ranch shows. We emphasize the ability to educate riders of all backgrounds about the usefulness and versatility of riding a stock horse. We are 2x DII national champions and 1x DI national champions, along with 3x DII reserve national champions. Our goal is to promote quality horsemanship and camaraderie in the local horse community. Students typically ride a university owned horse or an approved personal horse. For more information on how to support our team, please contact Coach Andrea Rego by emailing andrea.rego@mtsu.edu or calling 615-904-8319.
